**PARTICIPATING ADDENDUM
UNDER THE
WESTERN STATES CONTRACTING ALLIANCE
WIRELESS COMMUNICATION SERVICES AND EQUIPMENT
BID NUMBER RFP: #1907**

PARTICIPANT: State of West Virginia

This Participating Addendum (the "PA") is made this 15th day of April, 2013 (the "PA Effective Date"), between State of West Virginia ("Participant"), and AT&T Mobility National Accounts LLC ("Contractor") (Participant and Contractor are, at times, referred to individually as a "Party" or together as the "Parties").

Section 1. Recitals.

1.1 Contractor and the State of Nevada, acting through its Department of Administration, Purchasing Division, and the participating members of the Western States Contracting Alliance ("WSCA"), and the NASPO Cooperative, are parties to that certain WSCA contract #1907, dated March 15, 2012 (the "Contract" or "Master Service Agreement").

1.2 Participant wants to participate in the Contract pursuant to the terms and conditions of the PA.

Section 2. Agreement. In consideration of the recitals set forth in §1 above, which are hereby re-stated and agreed to by the Parties, and for valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Parties, Participant and Contractor hereby agree to the terms and conditions of the PA (the Contract and the PA, together with all valid purchase orders submitted to Contractor by Participating Entity, collectively, the "Agreement"). Unless otherwise defined, capitalized terms in the PA have the meanings ascribed to them in the Contract.

Section 3. Authorized Participating Entities. Participant hereby designates political subdivisions of the State of West Virginia, including county, public school, municipal, and other local government bodies as the only authorized Participating Entity(ies) under the Agreement.

Section 4. Purchase Orders. Participating Entity(ies) must issue purchase orders hereunder that reference both Master Service Agreement #1907 and the PA. Upon issuance of any such valid purchase order, Participating Entity will be bound by the terms and conditions of the Agreement including, without limitation, the obligation to pay Contractor for Service, Equipment, and related products provided. Notwithstanding the foregoing, any purchase order submitted that does not properly reference the Contract number and/or the PA may be accepted, at Contractor's sole discretion, if Contractor can reasonably ascertain that such purchase order was properly authorized and intended for use with the PA. In such instances, the corresponding purchase order will be similarly valid and binding. Except as expressly provided in the Agreement, terms and conditions inconsistent with, contrary or in addition to the terms and conditions of the Agreement will not be added to or incorporated into the Agreement by any purchase order; and any such attempts to add or incorporate such terms and conditions are hereby rejected. The terms and conditions of the Agreement will prevail and govern in the case of any such inconsistent or additional terms.

This section specifically supersedes any order of precedence provisions set forth elsewhere in the Agreement.

Section 10. Custom Offers. The Custom Offers are available for the term of the Agreement. For all Custom Offers, the corresponding CRU must be eligible to activate Service on the underlying, non-customized version of the Plan or offer. The Custom Offers are not available to IRUs. In accordance with the Agreement, each of the Custom Offers is subject to its underlying offer's corresponding Sales Information, which is incorporated herein by reference. To the extent of any material conflict between the terms and conditions of this §10 and the applicable Sales Information, this §10 will control. Notwithstanding the foregoing, no Custom Offers will be provided if Participant's account is not active and in good standing with respect to the applicable CRU.

ADDITIONAL CHARGES

Additional Charges

The amounts shown below are based on the highest fee/surcharge rates assessed in your state; your actual fees/surcharges may be less.

State	WEST VIRGINIA
Regulatory Cost Recovery Charge	\$1.09
Federal Universal Service Fund	14.4%
State 911 Fee	\$3.00

Regulatory Cost Recovery Charge

The Regulatory Cost Recovery Charge is a charge assessed by AT&T associated with payment of government imposed fees and to recover the costs of compliance with government imposed regulatory requirements. It may include costs incurred in prior years that are not yet fully recovered. It is not a tax or charge which the government requires AT&T to collect from its customers. This charge is subject to change from time to time as the cost of compliance changes.

Components of the Regulatory Cost Recovery Charge

This charge is composed of the following elements:

Federal Regulatory Fee

This component is designed to recover the annual fee imposed on AT&T by the Federal Communications Commission (FCC); this fee is assessed by the FCC on each of the entities it regulates.

Telecommunications Relay Service (TRS)

This component is designed to recover the contributions that AT&T is required to make into the Federal TRS fund. This fund is designed to assist hearing and speech impaired persons with making and receiving messages.

Wireless Number Portability and Number Pooling

This component is designed to recover the costs associated with the federal mandates of number portability and number pooling:

Wireless Local Number Portability (WLNP)

This enables customers to keep their wireless telephone numbers when they switch wireless service providers.

Number Pooling

This is a telephone number conservation method that helps to delay area code exhaust situations.

Enhanced 911 (E911)

This component is designed to recover the costs in certain states where E911 cost recovery for wireless carriers does not exist or exists in a fashion that only provides partial recovery of E911-related costs. These E911 costs relate to government mandates requiring wireless carriers to deploy advanced technology to help emergency response agencies to better determine the location of the customer calling 9-1-1.

Wireless Tower Mandates Costs

This component is designed to recover certain costs incurred by AT&T to comply with the additional administrative requirements associated with regulations relating to wireless towers, including regulations imposed by the National Environmental Protection Act, Clean Water Act, Clean Air Act, Resource Conservation and Recovery Act, Endangered Species Act, and the Emergency Planning and Community Right to Know Act. This charge also recovers certain costs associated with regulations relating to historic properties impact studies,

antenna registration, and costs incurred to comply with requirements related to the inspection of marked and lighted cell towers.

State Area Code Relief Costs

This component is designed to recover certain costs incurred by AT&T to comply with mandated geographic splits to implement new area codes in areas where an existing area code is close to number exhaustion.

Customer Proprietary Network Information (CPNI) Notification Costs

This component is designed to recover costs incurred by AT&T to comply with FCC CPNI notice requirements.

Network Outage Reporting Costs

This component is designed to recover certain costs incurred by AT&T to comply with FCC mandated network outage reporting requirements.

State Commission Annual Reporting Costs (Applies only in IN, KY, LA, NM, OH, VA, WI, WV, WY)

This component is designed to recover certain costs incurred by AT&T to comply with state mandated annual reports and filings required to be filed with the state utility commission or other state governmental entities.

Gross Receipts Surcharge (Missouri Only)

This component is designed to cover costs incurred and payments made by AT&T Mobility to settle claims related to past gross receipts taxes claimed by certain municipalities applicable to Missouri customers who are also billed a Municipal Gross Receipts Surcharge.

Puerto Rico Regulatory Fee (Puerto Rico Only)

This component is designed to recover the intra-island fee imposed on AT&T by the Puerto Rico Telecommunication Regulatory Board (PRTRB); this fee is assessed by the PRTRB on Telecom Service Revenue.

Federal Universal Service Fund Fee

The Federal USF, created by the federal government, is designed to help ensure first-class, affordable telecommunications service for all consumers across the country, especially residents in high cost rural communities and low-income customers. Additionally, the Federal USF provides for discounted telecommunications services for schools, libraries and rural health-care facilities. All telecommunications providers are required to pay into the Federal USF, and their contributions may be recovered from customers.

State 911 Fee

A charge imposed on each subscriber to fund and finance the maintenance and operation of a 911 emergency communication system.

16. RENEWAL - *See Participating Addendum.*

Whereas, WSCA issued Request for Proposal #1907 for Wireless Voice Service, Wireless Broadband Service, Accessories and Equipment, dated February 3, 2011, as amended, which is attached hereto and incorporated herein as Attachment BB (the "Solicitation");

Whereas, Contractor submitted its Response to the Solicitation, which is attached hereto and incorporated herein as Attachment CC (the "Response");

Whereas, on or about May 24, 2011, and in connection with the Solicitation, WSCA gave notice of its intent to award contracts to certain entities including Contractor (the "Notice of Intent to Award");

Whereas, WSCA and Contractor intend to enter into a contract in connection with the Solicitation and the Notice of Intent to Award that operates to both (a) set forth terms and conditions applicable between WSCA and/or the Lead State, and Contractor with respect to the overall procurement; and (b) set forth the primary, first-in-precedence terms and conditions applicable between Contractor and Participating Entities participating in the Contract.

In consideration of the above premises, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties mutually agree as follows:

1. **REQUIRED APPROVAL.** The Master Service Agreement (aka the "Contract") shall not become effective until and unless approved by the WSCA Directors.

2. DEFINITIONS.

2.1 **“Contract” and “Master Service Agreement”** mean this document, entitled “Master Service Agreement,” including, without limitation, Contractor’s Special Terms and Conditions, as may be amended by the Lead State, and Contractor, together with other incorporated documents as more fully described in §5 herein.

2.2 **“Contractor”** means the vendor entity that, along with WSCA, is a party to the Contract and that performs services and/or provides goods for WSCA under the Contract.

2.3 **“Fiscal Year”** is the Lead State’s fiscal year, which is the period beginning July 1 and ending June 30 of the following year.

2.4 **“Participant” and/or “Participating State”** means a state or other authorized entity that (a) has executed a Participating Addendum; or (b) has signed (and not revoked) an Intent to Contract at the time of the award of this Contract.

2.5 **“Participating Addendum” and/or “PA”** mean an agreement between Contractor and a Participant, in form and substance substantially similar to Exhibit 1 to the Special Terms and Conditions, through which such Participant participates in the Contract.

2.6 **“Participating Entity” and/or “Buyer”** mean a Participant, Participating State or other entity properly authorized by a Participant to purchase services and products under the Contract, or that otherwise participates in the Contract through the corresponding Participating Addendum.

2.7 **“Special Terms and Conditions”** means Contractor’s additional terms and conditions, unique to Contractor with respect to its corresponding services and products, which are attached hereto and incorporated herein as Attachment AA.

2.8 **“State” and/or “Lead State”** means the State of Nevada and its state agencies, officers, employees and immune contractors as defined in NRS 41.0307, and for purposes of this Contract, the Lead State is acting on behalf of WSCA with the authority to enter into, and amend the Contract.

2.9 **“Sub-PA”** means a document executed by a Participating Entity participating in an existing PA pursuant to which separate terms and conditions applicable only to that Participating Entity and other authorized entities.

2.10 **“Total Wireless Spend”** means, with respect to the WSCA Administration Fee, the total amount of the charges set forth on the invoices sent by Contractor to Participating Entities under the Contract, less taxes and surcharges.

2.11 **“WSCA”** means the Western States Contracting Alliance, a cooperative group-contracting consortium for state government departments, institutions, agencies and political subdivisions (i.e.,

colleges, school districts, counties, cities, etc.) for the states of Alaska, Arizona, California, Colorado, Hawai'i, Idaho, Minnesota, Montana, Nevada, New Mexico, Oregon, South Dakota, Utah, Washington and Wyoming.

3. **CONTRACT TERM.** The Contract shall be effective from March 15, 2012 to October 31, 2016, (subject to the WSCA Directors' approval), unless sooner terminated by either Party as specified in paragraph 21 herein. Each Participating Addendum executed in connection with the Contract shall be effective from its corresponding effective date through the end of the Contract's term, unless otherwise specified in that Participating Addendum. Notwithstanding the foregoing, Contractor and the Lead State acknowledge and agree that Contractor may enter into a Participating Addendum with any Participant hereunder on or after this Contract's "effective from" date upon approval of the Lead State. Any such Participating Addendum so executed will be subject to the terms and conditions of this Contract.

4. **CANCELLATION; NOTICE.** The Contract may be canceled by either the Lead State or Contractor upon written notice sixty (60) days prior to the effective date of the cancellation. Cancellation of the Contract due to Contractor's default may be immediate. Further, any Participant may cancel its Participating Addendum upon thirty (30) days written notice to Contractor, unless otherwise limited or stated in the Participating Addendum. Any cancellation under this provision (a) may be in whole or in part; and (b) shall not effect the rights and obligations attending orders outstanding at the time of cancellation, including any right of any Participating Entity to indemnification by the Contractor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any order.

5. **INCORPORATED DOCUMENTS; ORDER OF PRECEDENCE.** The Contract consists of this document, entitled "Master Service Agreement," together with the following incorporated documents; Contractor's Special Terms and Conditions, the Solicitation, and the Response. The document entitled Master Service Agreement together with the Contractor's Special Terms and Conditions are intended by the Parties to be the primary Participating Entity-facing contractual document in connection with the Solicitation. To participate in the Contract, each Participating Entity must do so pursuant to a Participating Addendum. In the event of any conflict between the terms and conditions of any of the documents comprising or related to the Contract, the following order of precedence will control:

1. The applicable Participating Addendum and/or Sub-PA;
2. The Master Service Agreement;
3. Contractor's Special Terms and Conditions (Attachment AA);
4. The Solicitation (Attachment BB);
5. The Response (Attachment CC);
6. Any individual order placed on the Contract by a Participating Entity

Notwithstanding the foregoing, Contractor and WSCA expressly acknowledge and agree that the terms and conditions unique to the states of Arizona, Montana, Oregon, and Utah, which were included under Attachment K of the Solicitation, were for informational purposes only and are NOT incorporated into the Contract by inclusion in the Solicitation.

The parties acknowledge and agree that each Participating Addendum executed in accordance herewith incorporates the terms and conditions of the Contract, and that the corresponding Participating Entities will be bound to the terms and conditions of that Participating Addendum and the Contract.

Neither the Special Terms and Condition, nor any purchase order(s) issued under the Contract shall contradict or supersede any terms and conditions in the Contract without written evidence of mutual assent to such change(s) between Contractor and the Lead State.

6. [OMITTED]

7. **ASSENT.** The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

8. [OMITTED]

9. [OMITTED]

10. [OMITTED]

11. **CONSIDERATION.** The parties agree that Contractor will provide the services and products specified in, and in accordance with the Contract. Contracted prices represent ceiling prices for the supplies and services offered. Contractor shall report to the Lead State any price reduction or discount, or other more favorable terms offered to any Participating Entity and the Contractor agrees to negotiate in good faith to re-establish ceiling prices or other more favorable terms and conditions applicable to future orders. Bid prices must remain firm for the full term of the Contract. In the case of error in the extension of prices in the bid, the unit prices will govern. WSCA does not guarantee to purchase any amount under this Contract. Estimated quantities in the Solicitation are for bidding purposes only and are not to be construed as a guarantee to purchase any amount. If Contractor has quoted a cash discount based upon early payment; discounts offered for less than thirty (30) days have not been considered in making the award. WSCA is not liable for any costs incurred by the bidder in proposal preparation.

12. **PAYMENT.** Payment is normally made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After forty-five (45) days the Contractor may assess overdue account charges up to a maximum rate of one (1) percent per month on the outstanding balance. Payments will be remitted by mail. Payments may be made via a Participating State's "Purchasing Card."

13. **TAXES.**

13.1 **Payable By Participating Entities.** Prices shall be exclusive of state sales and federal excise taxes. Participating Entities may be required to show proof of any tax exemptions. Where a

Participating Entity is not exempt from sales taxes on sales within its state, such Participating Entity will be liable for such taxes, and Contractor shall add the sales taxes on the billing invoice as a separate entry.

13.2 Payable by Contractor. Contractor will be responsible to pay all taxes, assessments, fees, premiums, permits, and licenses required by law for it to pay. The Lead State's applicable real property and personal property taxes are the responsibility of Contractor in accordance with NRS 361.157 and NRS 361.159. Contractor agrees to be responsible for payment of any such applicable government obligations not paid by its subcontractors during performance of this Contract. The Lead State may set-off against consideration due any delinquent government obligation owed the Lead State in accordance with NRS 353C.190.

14. FINANCIAL OBLIGATIONS OF PARTICIPATING ENTITIES. Participating Entities' financial obligations are limited to such entities having available funds. Participants incur no financial obligations on behalf of political subdivisions. Unless otherwise specified in the Solicitation, the resulting award(s) will be permissive.

15. ORDER NUMBERS. To the extent described in the Response, Contract order and purchase order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

16. WSCA ADMINISTRATION FEE; REPORTS. The Contractor will pay WSCA an Administration Fee of 1/10th of 1% (one-tenth of one percent) of the Total Wireless Spend, pursuant to the schedule of payments set forth in the Solicitation and Attachment G thereto. The Contractor shall submit quarterly reports to the WSCA Contract Administrator in accordance with the requisites of Attachment G to the RFP.

17. DELIVERY. The prices bid shall be the delivered price to any Participating Entity. All deliveries shall be F.O.B. destination with all transportation and handling charges paid by the Contractor. 20.1 WSCA's Rights. The inspection and audit provisions of this §20.1 run to the benefit of WSCA, not to Participating Entities.

a. Books and Records. Contractor will maintain, or supervise the maintenance of all records necessary to properly account for the payments made to the Contractor for costs authorized by the Contract. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to WSCA, the Lead State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

b. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by WSCA; the United States Government; the State Auditor or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.

c. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum four (4) years after the Contract terminates or until all audits initiated within the four (4) years have been completed, whichever is later, and for five (5) years if any federal funds are used in the Contract. The retention period runs from the date of payment for the relevant goods or services by the State, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

20.2 Participating Entities' Rights. Contractor will provide each Participating Entity with reasonable access to Contractor's books and records related to the corresponding Participating Entity's payments and participation in the Contract.

21.1. WSCA's Rights Upon Default. Any of the following events shall constitute cause for WSCA to declare Contractor in default of the Contract: (1) nonperformance of contractual requirements under the Contract; and/or (2) a material breach of any term or condition of the Contract. In order to declare Contractor in default, WSCA shall issue a written notice of default providing a period in which Contractor shall have a reasonable opportunity to cure the default(s). Time allowed for cure shall not diminish or eliminate Contractor's liability for damages otherwise available under the Contract. If the default remains after Contractor has been provided the opportunity to cure, WSCA may do one or more of the following: (1) exercise any remedy provided by law; (2) terminate the Contract or portions thereof; and/or (3) suspend Contractor from receiving future bid solicitations.

21.2 Participating Entity's Rights Upon Default. Any of the following events shall constitute cause for a Participating Entity to declare Contractor in default of the corresponding Participating Addendum or Sub-PA: (1) non-performance of contractual requirements; and/or (2) Contractor's material breach of any term or condition of the Participating Addendum or Sub-PA. In order to declare Contractor in default, a Participating Entity shall issue a written notice of default providing a period in which Contractor shall have a reasonable opportunity to cure the default(s). Time allowed for cure shall not diminish or eliminate Contractor's liability for damages otherwise available under the Participating Addendum. If the default remains after Contractor has been provided the opportunity to cure, the Participating Entity may do one or more of the following: (1) exercise any remedy provided by law; (2) terminate the Participating Addendum, Sub-PA, or portions thereof.

21.3 No Cross Termination. Notwithstanding the foregoing, in the event of a default by Contractor hereunder, then (a) an individual Participating Entity may not terminate the Contract but, instead, may only terminate its own PA; (b) WSCA may not terminate an individual Participating Addendum or Sub-PA, except as a consequence of its termination of the Contract; and (c) a Participating Entity that is not (i) concurrently the Participant or Participating State under the corresponding Participating Addendum, or (ii) a party to a valid Sub-Participation Addendum, may not terminate the corresponding Participating Addendum or Sub-PA and, instead may only terminate any outstanding, unfilled purchase orders made in connection with the corresponding Participating Addendum or Sub-PA.

21.4 Post-Termination Issues. In the event of termination of the Contract or a Participating Addendum for any reason, the parties agree that the provisions of this paragraph survive termination:

a. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under the Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

b. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by WSCA or a Participating Entity;

c. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this contract if so requested by WSCA;

22. **REMEDIES NON-EXCLUSIVE.** Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation \$125 per hour for attorneys employed by the Lead State. The Lead State may set off consideration against any unpaid obligation of Contractor to Lead State in accordance with NRS 353C.190, or the applicable Participating Addendum. A Participating Entity's right of set-off shall be in accordance with the law of the Participating Entity's state, and the provisions of the applicable Participating Addendum.

23. **LIMITED LIABILITY.** The Lead State will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of Contractor, WSCA, the Lead State, and/or any and all Participating Entities shall not be subject to punitive damages. In no event shall Contractor be liable for inability of users to access 911 or E911 service. In no event shall either Contractor, WSCA, the Lead State and/or any and all Participating Entities be liable for any indirect, special, consequential or incidental damages, however caused, which are incurred by the other party and which arise out of any act or failure to act relating to this agreement, even if such party has been advised of the claim or potential claim or the possibility of such damages, and in no event shall either party be liable to the other party for punitive damages.

24. **FORCE MAJEURE.** Neither party to this Contract shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases. WSCA may terminate this Contract after determining such delay or default will reasonably prevent successful performance of the Contract.

25. **INDEMNIFICATION.**

25.1 **Contractor's Obligations to WSCA.** To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding the Lead State's right to participate, the Lead State and/or WSCA from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.

25.2 Contractor's Obligations to Participating Entities. The Contractor shall release, protect, indemnify and hold Participating Entities and their officers, agencies, employees, harmless from and against any damage, cost or liability, including reasonable attorney's fees for any or all injuries to persons, property or claims for money damages arising from acts or omissions of the contractor, his employees or subcontractors or volunteers.
