Amendment No. 1
Agreement No. 00327389.0

This Amendment No. 1 is entered into by and between the **State of West Virginia** ("State") and **Environmental Systems Research Institute, Inc.** (hereinafter referred to as "Esri").

WHEREAS, Esri and the State entered into a Master Purchase Agreement with an effective date of December 12, 2024 (hereinafter "Agreement"); and

WHEREAS, the parties desire to amend the Agreement to update Price List and Time and Materials Rate Schedule;

NOW THEREFORE, the parties agree to the following:

1. Delete and replace State of West Virginia MPA Price List MPA-15-3Q2024 with the attached State of West Virginia MPA Price List MPA-15-4Q2024, which shall supersede and apply upon execution of this Amendment No. 1.
2. Add the attached Time and Materials Rate Schedule, which shall supersede and replace the current Time and Materials Rate Schedule beginning on August 1, 2024.

Except as may be specifically modified by this Amendment No. 1, all other terms and conditions of the Agreement and any Amendment(s) or Addendum(s) constitute the entire agreement between the parties and supersede all prior and contemporaneous agreements or representations, written or oral, concerning the subject matter of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment No. 1 as of the date of the last party to sign below.

TIME AND MATERIALS RATE SCHEDULE

Effective January 1, 2024

Hourly time and materials labor category descriptions and rates have been provided for each labor category for calendar years 2024-2026. The hourly labor rates for services that are performed after 2026 may be escalated in an amount not to exceed five percent (5%) each year. Other direct costs, such as travel, reproduction, subcontractor, telecommunication/freight, or materials, will be charged a material handling fee and invoiced.

Esri reserves the right to provide fixed price quotations for professional services requests that require deliverables other than hours. Work performed under fixed price orders will require additional terms and conditions and will be invoiced monthly based on percentage completed.

Technology Consultant/Engineer (S1)

Staff members in this labor category provide day-to-day technology consulting, troubleshooting, and engineering services on many aspects of project implementation. These projects include COTS software configuration, custom software development, database consulting, training development and delivery, technical documentation, and other technology consulting and engineering services. Individuals in this category have specialized skills and experience with a variety of technologies that can be applied to a broad spectrum of assignments.

Senior Technology Consultant/Engineer (S2)

Staff members in this labor category provide strategic technology consulting and engineering services across project implementation. These staff may provide technical leadership services, architecture and design services, as well as training development and delivery for small to moderately complex solutions. Individuals in this category have higher-level specialized skills and experience with a variety of technologies that can be applied to a broad spectrum of assignments.

Principal Technology Consultant/Engineer (S3)

Staff members in this labor category work as technical leads and/or senior technical advisers, providing technology vision, solution architecture, and strategic technology consulting for projects of all sizes and scopes. These staff may provide strategic technology design & planning, oversight of technical implementation activities, solution architecture and database design, system integration, and other technology training, consulting, and engineering services. Individuals in this category have advanced, diverse, and specialized skills and experience with a variety of technologies that can be applied to a broad spectrum of complex assignments. Staff members in this labor category work with senior client staff in coordination with Esri senior management to resolve issues and support a successful project completion.

Consultant/Project Manager (M1)

Staff members in this labor category provide day-to-day consulting for and management of many aspects of GIS and related technology projects. The scope of these projects may include database development and administration, training, technical support, business process design and development, definition of work plans, project management of technical and contractual deliverables, and ad hoc consulting. For complex projects, these individuals may team with senior staff to develop comprehensive work plans that address risk, schedule, and budget management and provide the framework for project implementation.

Senior Consultant/Project Manager (M2)

Staff members in this labor category provide strategic consulting and management services for complex GIS and related technology projects. These staff members have market/application domain expertise with extensive experience in various technologies required to support the successful completion of a project. Consulting activities may include strategic planning, implementation of change management methodologies and system integration, and training, as well as project management oversight of project deliverables and subcontractors. These individuals may also design comprehensive work plans that address risk, schedule, and budget management and provide the framework for project implementation.

Principal Consultant/Program Manager (M3)

Staff members in this labor category work as program directors or project advisers, providing project vision, strategic consulting, and program management activities for GIS and related technology projects. Consulting activities may include strategic planning, oversight of requirements definitions, application and database design, system integration, curriculum development and help desk system architecture. Management activities may include providing oversight on defining program requirements and objectives, establishing budgets and schedules, as well as allocating staff and other resourcing activities.

Technology Support Specialist (DB)

Staff members in this labor category work in professional entry-level roles to support definable activities of larger technology projects. Working with technical and management leads and mentors, these staff provide support to technology projects as assigned.

*The items pre-checked are required before a Purchase Requisition may be submitted to the Purchasing Division. Failure to complete and verify this documentation may result in rejection of the requisition back to the agency. It is up to the agency procurement officer to determine if pre-approvals, insurance, or other documentation is needed for the purchase. The referenced information below may be used to make this determination.

For Purchasing Division Use Only:

I have reviewed the requisition identified above and find that it is sufficient to advertise publicly to the vendor community. My review does not preclude the possibility that the vendor community, or some other entity, will identify an area of concern; however, should such issues or concerns arise, they will be reviewed and addressed as may be appropriate.
