Dear Betty:

This letter is to provide an update to the IP06 Contract. Attached is an updated spreadsheet of the corrected Lenovo part numbers, which are highlighted in yellow. We changed the part number of the 19" flat panel monitor (9329AB9) to part number 9329AP9. We also changed the part numbers around on the additional memory for the printers. In addition we want to add part number 40Y8716 to the contract. This is an option for a 100GB hard disk drive. Please accept this letter of confirmation in order to make the changes to the IP06 contract.

Sincerely,

Charles Wheeler  
Lenovo Direct Sales Manager
