MEMORANDUM

 Purchasing Division

FROM: Kyle Schafer, CTO *Kyle Schafer*

SUBJECT: Request to Add Travel to ITECH06 and ITECH07

DATE: September 2, 2009

RECEIVED

 WV PURCHASING  
 DIVISION

In the past within Office of Technology (OT), most of the contracted services we had acquired were devoted to programming staff. Therefore, our need for contractor travel was very limited or non-existent.

Due to the consolidation, our agency is responsible for supporting and implementing more services across all state agencies and in every part of the state. In particular, network engineering and telephony services have found the need to acquire contracted services and to dispatch these contractors to various agency locations for support and implementation. As a result, the contractors have incurred travel costs that were not traditionally anticipated.

We are requesting that a change order be processed to add to the ITECH06 and ITECH07 contracts travel pursuant to the State of West Virginia reimbursement and per diem rates.

Should you have any questions or concerns, please advise. Thank you.
