RE: Change Order to LAR16

SHI is requesting a Change Order to the LAR16 Agreement in order to clarify contract language. SHI proposes replacing the third paragraph in the Extended Description field, in the Original Contract, to read as follows:

Agencies may order any items in the contract as long as those items are not covered by any statewide contract issued by the Purchasing Division, and as long as those items are not excluded according to the attached documentation. Microsoft Azure benefits or services as an extension of a previously owned license are approved, excluding any raw data storage services and/or storage only offerings. The State is not authorized to purchase Azure benefits that are not considered an extension or additional benefit of an already-owned license nor is the State authorized to purchase consulting services and those items are specifically excluded from this contract
