MV05 General Specifications/Information

All State Agencies and MUST provide a contact persons name and telephone number on each requisition (WV-35) sent to the Purchasing Division for a release against this contract. Agencies entering requisitions into the TEAM computer system shall show the entire cost of the vehicle (including options) in the line item entered on the "MLR" screen. The details on the purchase shall be entered on the RCM screen showing the base price of the vehicle and a list of all options selected (along with the cost for each). TEAM does not allow a line item to show with a minus (deduct), so this information should simply be shown on the RCM screen. Political subdivisions who participate in the Cooperative Purchasing Program shall handle their own releases against this contract.

All questions regarding this contract should be directed to:

Betty Francisco, Senior Buyer
Purchasing Division
2019 Washington Street, East
P.O. Box 50130
Charleston, WV 25305-0130
Phone: 304-558-0468 Fax: 304-558-4115
Email : bfrancisco@wvadmin.gov

Descriptions such as Mid-Size or Full-Size are as referenced in the United States Department of Energy EPA Fuel Economy Guide (www.fueleconomy.gov) for Model Year 2004 vehicles. Vehicles must be bid in the class listed in the guide.

An award will be made for each Class to the lowest, responsible bidder meeting specifications using the base price of the vehicle bid, including delivery cost, pursuant to West Virginia Code §5A-3-11.

Financial Information

Vehicles may be purchased from this contract by any West Virginia State agency. The agency will either remit payment directly or use a third-party financing company on contract with the State of West Virginia. The Department of Administration, Purchasing Division Fleet Management Office (FMO) usually arranges for third-party financing. This arrangement requires the vendor to submit invoices to the Department of Administration, who, in turn forwards those to the third-party financing company for prompt payment.

The time required for third party financing does not differ from the time required for payment directly from the state as both are normally made within 30 days of receipt of vehicle meeting specifications and appropriate invoice. The time period is provided as an estimate only and is not guaranteed. Actual times needed to process payment may

MV05 General Specifications/Information

vary.

Options other than those stated in this contract may occasionally be requested. Those options may be considered by the State only if the dealer prices these items at dealer cost and furnishes proof of dealer cost prior to the purchase order being submitted by the agency. Dealer must provide verification from the manufacturer.

All vehicles should be quoted FOB Dunbar, WV. Vendor may add an additional per mileage charge for delivery to other locations, but should be aware that additional charges may impact the award.

Prices must remain firm for the life of this contract. **Note:** This contract is in effect for a term of one year or until such time as the vendor notifies the Purchasing Division that the model year build out date has been reached.

Delivery Information

Deliveries **must** be made Monday through Friday 9 a.m. to 4 p.m.

Dealers **must** notify Gene Young, Surplus Property, Dunbar, WV 26564 at (304) 766-2626, two business days prior to delivery for vehicles to be delivered to Surplus Property.

Vehicles delivered to Surplus Property will receive a courtesy inspection upon delivery. Complete inspection is the responsibility of the ordering agency and will occur with two business days of delivery. Ordering agencies, however, reserve the right to inspect vehicles at the dealer location prior to shipment. Inspection at the dealer location does not relieve the dealer from shipment responsibility.
