Dear Mr. Tincher:

Please accept this letter as the Fleet Management Office's acknowledgement and acceptance of the change to contract FLT13997.

The change to this contract is for ARI to facilitate the State of West Virginia's Goodyear National Discount pricing structure for tires through the maintenance program currently being contracted between ARI and the State on contract FLT13997. There will be no additional fees charged by ARI or Goodyear for this change in process. However, the Fleet Management Office agrees that tire purchases made through the State's Goodyear National Discount pricing structure will not be subject to the National Account rebate currently being credited to the State by ARI for qualifying national account purchases.

This change has been agreed to by both Goodyear and Automotive Resources International (ARI) in their respective letters.

This change to contract FLT13997 will become effective immediately upon execution of a Change Order between Fleet Management Office and ARI and the acknowledgement from Goodyear that programming is in place to facilitate the change.

If you have any questions, please feel free to contact me at 304-558-2106.

Sincerely,

Kenny Yoakum, Executive Director
