The vendor shall indicate the maximum number of days after receipt of order that are necessary for the delivery of tires. Failure to indicate delivery days as required may be grounds to disqualify the entire quotation.

This list must include the name of the distributor, contract coordinator, mailing address, telephone numbers (include toll free if available), and fax number, for each.

The vendor shall have sufficient locations to assure prompt delivery and service in all areas of the state.

The discount rates quoted shall remain firm for the life of the contract.

All items stating a “**must**” or “**shall**” are mandatory requirements. Failure to provide or meet any of these mandatory requirements shall be grounds to disqualify the entire quotation.

A copy of the manufacturer's warranty shall accompany all delivered tires.

Radial passenger tires and radial truck tires – shall be replaced without charge (including mounting and balancing) during the first 25% of tread wear or 12 months whichever comes first.

All other tires shall be replaced without charge (including mounting and balancing) during the first 10% of tread wear.

Tires requiring replacement not covered within the “no charge language” shall be replaced on a pro-rata basis. The replacement price shall be calculated by multiplying the contract price by the percentage of tread wear at the time of adjustment. Mounting and balancing at no cost is included in the adjustment. Contactor is to ship all replacement tires and/or tubes freight paid.

Vendor shall submit the name, address and telephone number, toll free telephone number, fax number, and e-mail address of the contract coordinator.

All tires and tubes are subject to inspection, examination and test by the State of West Virginia. The right is reserved to select the type and size of tires and tubes for such tests at any or all times during the term of the contract. Tires chosen for inspection and testing shall be selected from actual deliveries made to any of the delivery locations. The State of West Virginia may require performance tests by recognized tire testing facilities to determine conformance with the requirements of the specifications contained herein. The right is reserved to reject any item that does not fully comply with the minimum requirements established by these specifications.

Failure as to construction, performance, or delivery shall subject the contract to termination and will result in action to indemnify the spending agency for any damages. If the vendor can and does immediately remedy the cause of the failure, which results in full compliance with specifications for subsequent deliveries, vendor will be given that opportunity.

The vendor shall furnish, at his cost, sufficient number of price lists for distribution to all agencies. The state shall provide a mailing /distribution list to the vendor for distributing the price list. These price lists shall be mailed within 20 days after the award of the contract. In addition to the copies distributed to the agencies, ten (10) copies shall be sent to the Purchasing Division. The number of copies required is approximately 300. The actual number shall be the number of addresses on the mailing list provided (plus the 10 copies to the Purchasing Division). The price list shall contain the contract number and the effective date on the front page. The price list shall indicate the actual state price (including any discount offered) opposite each tire and/or tube stock number. If, in the opinion of the Purchasing Division, it would be in the best interest of the State to have revised price books, the vendor shall provide new price books at no charge to the State of West Virginia.

NTIRES11 Questions and Answers

1Q.	Will a vendor be allowed to "no bid" a group without being disqualified?
1A	Yes
2Q	At the end of each term of the contract will the State allow for pricing to be moved to the vendor's current published base price list with no change reduction in discounts, allowing for a price increase for the next term of the contract? Will the State allow for a price increase?
2A	That will be determined by the Purchasing Division at renewal.
3Q	What does the state consider "Life of the Contract" Does each term stand on it's own?
3A	Yes
4Q	All replaced tires that are covered under the Adjustment Warranty shall be replaced under the Manufacturer's Published Warranty, does the State agree?
4A	Can not determine, no knowledge of the Manufacturer's Published Warranty
5Q	Price List requirement. State ask that copies of price list be mailed to a list of agencies. All pricing is available on vendor website and can be printed as needed by each agency. These price list are updated as needed and would be more current than a price list created at time of the original bid. Would it not be more beneficial for State to direct each agency to the vendor website. Vendor ask that this requirement be reconsidered?
5A	Agencies with access to the web can obtain price list electronically, however those agencies without or with limited access to the web will require a mailed price list.
6Q	Failure to deliver product. Vendor ask that if a tire is not available at time of order that all agencies contact the Vendor's Contract Contact person and allow them to make final effort to deliver ordered product or offer another tire off the Vendor's price list as a replacement, before the agency would be allowed to purchase off contract?
6A	No
7Q	Failure by either party to perform its duties and obligations will be excused by unforeseeable circumstances beyond its reasonable control and not due to its negligence including acts of nature, acts of terrorism, riots, labor disputes and/or strikes, fire, flood, explosion, and governmental prohibition. The non-declaring party may cancel the contract without penalty if performance does not resume within 30 days of the declaration.

7A	No, per the West Virginia State Code, Law and as indicated in the Request for Quotation.
8Q	General Terms & Conditions AntiTrust. - Vendor request that this requirement be removed from the language.
8A	No
