Governor's Committee for the Purchase of Commodities and Services from the  
Handicapped

Date: August 23, 2010

RE: Committee Establishment of Fair Market Price of Commodities

The Committee for the Purchase of Commodities and Services from the Handicapped (hereafter referred to as the Committee) in accordance with section 5A-3a-4(d) of the code of West Virginia, met on May 10, 2010, in emergency session and by majority vote established the fair market price of the attached commodities. The fair market price was established in accordance with the West Virginia State Code of Regulations Title 186, Series 1.

All of these items fall below the 46% increase threshold that you established earlier this year.

The Committee hereby approves an agreement between the State of West Virginia, and the West Virginia Association of Rehabilitation Facilities, Inc. (the designated Central Non-Profit Agency) for the prices of the commodities attached for a period of three years.

The Committee through the Central Nonprofit Agency will assign these commodities to a Community Rehabilitation Program approved by the Committee to provide the service required by this agreement.

If you have any questions feel free to call WVARF (the Central Non-Profit Agency) at 304-766-4894. Thank you for using the services of West Virginia citizens with disabilities and supporting the State Use program.

  
Penney Hall
