Mike, I haven't seen this before but I believe that it makes sense. DHHR Operations is responsible for security services at all DHHR locations. I don't see any way that we can have a CDO completed today as we don't even have any paperwork from G4S at this point. Can you please approve the emergency request so that we can begin services tomorrow and follow up with the OASIS document once the necessary paperwork is received?

Thanks,

Bryan

Bryan

Given the DHHR COVID-19 response, the State Health Lab is requesting security services, beginning tomorrow, March 25, 2020 and run through June 26, 2020 (if necessary). This would be Monday through Friday, 9am to 5pm, totaling in 544 hours of services provided at a total of \$7,888.

Given the sensitivity of this DHHR COVID-19 response, an emergency request is being made to begin services tomorrow at 9am in order to assist with security detail at the State Health Lab during this crisis.

Your assistance and DOA approval is greatly needed and much appreciated.

Brian
