FYI

this is for the Materials to fix what they can see at this point.
Thank you,

Mrs. Dusty Smith

We have an extremely large sinkhole that opened up in Hinton, WV. Summers county. D9 has been instructed by the Governor's Office to get this fixed by August 24th before the school starts.

With every rain storm this is getting worse. At this point we think the price will be over \$120,000.00 but with a sinkhole we are not sure what it will entail to completely correct this situation.

See the Picture below for reference.

If you have any questions please let me know,

Thank you,
Mrs. Dusty Smith
