Dusty,

Your emergency request to obtain roadway salt/sodium chloride for District 9 at an estimated cost of \$500,000.00 for a one-time purchase for replenishment purposes is approved.

Please follow all Purchasing Division Procedures Outlined on the Purchasing Division Procedures Handbook and return the completed contract to this office for posting within 30 days of this approval.

Thanks,
Tara Lyle, Buyer Supervisor

We are requesting an Emergency purchase of roadway salt/sodium chloride for District 9, which is a southern district, which has had adverse weather conditions already this year. As this concerns public safety they cannot wait until the new contract has been awarded; DOT is still in the evaluation process for the new contract. As we are in SRIC season we estimate that the cost will be around \$500,000 to replenish what we have currently used.

If you have any questions please let me know,

Thank you,
Mrs. Dusty Smith
