Any qualified e-waste recycling contractor wishing to be added to this list, contact Phil Mann, West Virginia Solid Waste Management Board (<http://www.state.wv.us/swmb/RMDP/Map.htm> philip.e.mann@wv.gov, by email only.)

To qualify you must be able to provide e-waste recycling services within all or part of West Virginia, be able to make regular pickups at the states solid waste facilities including landfills, solid waste transfer stations and recycling centers and/or be able to provide services for single or multi day e-waste recycling collection events.

Send us a description of your company, contact information including mailing address, phone, fax, email and URL and any e-waste recycling certification's you may hold (RIOS, E-Steward, R2, ISO 14001.)

The Solid Waste Management Board does hereby state to any and all individuals, companies, corporations and all other entities which may use this website or information obtained from therein, to facilitate purchases of or otherwise facilitate exchanges of electronic waste or other related material, that the Solid Waste Management Board bears no liability in any form for the materials being sold, given, received or otherwise exchanged as a result of the information provided by the website.
