

**HEALTH SERVICE EXECUTIVE (HSE)
POLICY AND PROCEDURE
LICENSURE BY EQUIVALENCY**

Policy: The Nursing Home Administrators Licensing Board may license any person qualified as an HSE by the National Association of Boards as meeting the minimum qualifications of a nursing home administrator, as applicable to 21-01 Nursing Home Administrators, §21-1-5., effective July 1, 2024.

The Nursing Home Administrators Licensing Board has determined the HSE education, experience and examination requirements to meet the current intent of the statutes and rule requirements for initial licensure and reciprocity for West Virginia Nursing Home Administrators.
