**SUBJECT: INFORMATION TECHNOLOGY PROCUREMENT  
CMA DOT23\*20 IS&C NUMBER: 2025-2073**

**DATE: August 21, 2024**

West Virginia Code §5A-6-4(a) permits the Chief Information Officer to review and approve technology purchases for suitability to ensure such purchases comport with the State of West Virginia's overall strategic information technology goals.

West Virginia Code §5A-6-4c requires the Chief Information Officer to review and approve "technology projects."

West Virginia Code §5A-6-5 requires that "any state spending unit that pursues an information technology purchase that does not meet the definition of a 'technology project' and that is required to submit a request for proposal to the State Purchasing Division prior to purchasing goods or services shall obtain the approval of the Chief Information Officer, in writing, of any proposed purchase of goods or services related to its information technology and telecommunication systems.

After conducting a review of your request for Blanket approval for contract renewal of CMA DOT23\*20 for the next term and remaining (2) renewal years, the Office of Technology has determined:

X That your request is approved.

That your request is not subject to the review and approval provisions contained in Chapter 5A, Article 6 of the Code, therefore, it does not need approval by the Office of Technology.

This memorandum constitutes this office's official review and a copy should be attached to your purchase order and any other correspondence related to this request.
