Dear Valued Customer,

Werfen USA LLC (IL), would like to take a moment to thank you for your continued support of our products and services.

Taking into consideration the extensive investments in product development improvements, combined with an increased cost of doing business in a very cost-conscious healthcare market, we have revised your pricing. Most of these price adjustments have been guided by the Consumer Price Index for Medical Care Items and the increases in our material and labor costs.

Enclosed you will find your customized price list. Please update your system to reflect these prices on future purchase orders. All invoices effective July 1st, 2023 will reflect this pricing.

Thank you again for choosing Werfen. As a valued customer, we appreciate your business and the opportunity to partner with you to provide solutions for your Acute Care testing needs. We work very hard to earn your business and maintain our relationship through delivering the highest quality products and services.

We appreciate your business, and we look forward to our continuing relationship. If you have any questions about your agreement, please call customer service at 800-955-9525.

Sincerely,

Re: Late Justification for CMA CME2200000002 CO2

To Whom It May Concern:

We are being asked to justify the late submission of the above referenced Centralized Master Agreement. The original Centralized Master Agreement expired on March 31, 2023, and allowed price changes. However, the new pricing was not received until September 6, 2023. This reason, along with the overwhelming need to prioritize COVID-19 purchases has caused the late submission of the new document. I apologize for the inconvenience, and I understand that we must ensure that these documents, and all other documents, are provided for approval in a timely manner as to alleviate this issue occurring in the future.

We respectfully ask for your consideration of this request.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Buskirk".
