Both of these items meet specifications and are acceptable.

Let me know as soon as you find a replacement for 48372, and I will proceed with a change order.

Hello Jeremiah and Linda,

We are doing our best to get all the employee orders shipped out quickly and have run into a stocking issue from 5.11 for the two items mentioned. Rather than wait on these items to get back in stock we would like to offer items from a similar brand. You may find the the link below and let me know if you would be okay with substituting them. Please let me know if you need any additional details.
