CMA's DOT6622c026Q and DOT6622c026T We still need these to be finalized. The vendor added to their name. You were going to override I believe and get them moving forward. the change order renewal was uploaded on 7/11/23

All,

John left these 2 change orders for me.

On CMA DOT6622C026T(2) why did you add a 2 at the end? Looks like Varner just changed from LLC to Limited Liability under the same vendor number. We can note the change in the extended description but we should be fine otherwise. Do you have a renewal letter with them? If so, we can get this one moving.

On CMA DOT6622C026Q - Sunbelt added Inc. to their name - if I can get vendor registration to apply their registration payment to the vendor number (215767 - existing contract) since the FEIN number is the same for both names, could we still process the renewal change order as is rather than doing a cancel/re-issue? It may cause issues at invoicing/payment time or it may not. I'll leave it up to you.

Thanks,
Tara
