Your emergency request has been approved in the attachment below. Please follow all emergency procedures outlined in the Purchasing Division Procedures Handbook and return all documentation to the Purchasing Division buyer for processing within 30 days of this approval.

Thanks,  
Greg Clay, Buyer Supervisor  
WV Purchasing Division  
2019 Washington Street, East  
Capitol Complex, Building 15  
Charleston, WV 25305

District 10 Bridge Department is seeking emergency authorization to purchase concrete bridge beams for the above-mentioned project. The bridge was destroyed by a flood back in July and is currently in the process of being replaced. The current detour alignment is not suitable for large

trucks, and it creates a hazard for other members of the travelling public. Replacing the beams in a timely manner is imperative to public safety. The beams have already went out to bid once and received no bids. The purchase will be approximately \$130,000.
